DOUBLE ACCREDITED EDUCATION

Since 2015, JIBS is proud to be among the exclusive group of business schools that have qualified for the internationally renowned accreditation, by EQUIS and AACSB respectively. Less than 1 per cent of the world's business schools have been granted this quality marker, which secures a competitive position on the international market for highly qualified faculty and students. Being part of this group of schools motivates us to stay progressive and contribute to the ongoing modernization of higher education in management.

EQUIS

EQUIS is an international system for quality assurance of higher education institutions focusing on management. The accreditation is governed by the European Foundation for Management Development (EFMD), an independent non-profit network organization.

Building on 100 quality indicators and a systematic focus on three key facets, EQUIS requires a balance between high academic quality and professional relevance. The EQUIS accreditation confirms that JIBS excels in the area of internationalization, corporate connections, and ethics, responsibility and sustainability (ERS).

AACSB

Business schools accredited by AACSB (the Association to Advance Collegiate Schools of Business) must fulfill a set of 15 standards, which evaluate the school's mission, finances, research, faculty management, curriculum development, teaching effectiveness, and more.

Impact, Innovation and Engagement are central themes for the AACSB accreditation. In JIBS case these themes confirm our determination to be significant and our integrative approach to research as well as education.

“I chose to study at JIBS because of its strong focus on internationalism and collective learning.”

Thomas Boyd

Former exchange student at JIBS
from Victoria University of Wellington, New Zealand

WHY DID YOU COME TO JIBS?

I chose to study at JIBS because of its strong focus on internationalism and collective learning. Back in New Zealand, I was unsure if I wanted a future in marketing, and I found myself at odds with the ‘dog eat dog’ world of business. I decided to come to JIBS to help revitalise my interest in the subject, build networks, and hopefully ease my transition into the job market.

WHAT ARE YOUR IMPRESSIONS SO FAR?

I have really enjoyed the practical and collaborative approaches that my marketing and leadership classes take. There is a strong team culture, both inside the classroom and during the kick-off weeks, so I was made to feel at home and acknowledged as soon as I arrived. Although I was told that Swedes are often reserved and closed off, the one's that I have met have been very welcoming to exchange students. This made the transition much easier, especially coming from a culture where greeting strangers is widely embraced rather than frowned upon.

Thomas (blue jacket) in a leadership group meeting with the HR manager from IKEA in Jönköping.

GOOD THINGS TO KNOW:

HEALTH INSURANCE

Exchange students admitted to JU receive a supplementary health insurance, which covers emergency medical and dental care (conditions apply).

- Food SEK 2500
- Accommodation SEK 3000
- Local travel SEK 500
- Telephone/internet SEK 500
- Insurance, personal care SEK 500
- Hobby, leisure, etc. SEK 1500

All students, including exchange students, are required to pay the obligatory student union membership fee, which is approximately 300 SEK per semester.

Compare your city's cost of living with the costs in Jönköping at numbeo.com

VISA/RESIDENCE PERMIT

Students from countries whose citizens are required to have a visa/residence permit are advised to contact the Swedish embassy or consulate in their home country to start their application for a student visa, which is a procedure that can take two months or more. Students are recommended to apply online. In order to apply for a VISA, you need to have a full-time study load, 30 ECTS for one semester.
